

Agape Christian School

Student & Parent Policy Handbook 2015

Welcome to the family of Agape Christian School. We trust that your educational experience with us will be rewarding in every way. This handbook is designed to help us in two ways:

1. To provide a convenient reference book for you, as an Agape Christian School student or parent, of the many privileges, services, and activities at Agape; and
2. To help us all know and fulfill our responsibilities so that the students grow to their full potential both academically and spiritually.

Purpose

The beginning place for determining purposes is to ask, "What does the Lord want at the end of the process?" It is His desire and therefore ours, "...that we may present every man perfect (mature, complete) in Christ Jesus." (Colossians 1:28) Since we are therefore involved in a process of leading young people to be "conformed to the image of Christ" (Romans 8:29), we need a vision for what He wants in their lives. The following is a general list of qualities that are essential:

- Becoming more dependent on Christ;
- Submitting to the authority of God, parents, teachers, the laws of the land, etc;
- Not being self-centered, but serving others;
- Sharing the Gospel with others (evangelism, discipleship);
- Developing the desire for lifelong service to God;
- Becoming academically prepared to pursue any calling God gives.

Therefore, our purpose is to help the students be prepared in faith, virtue, and knowledge (2 Peter 1:5) to follow God's call ... whether to further education in college, to enter preparation for a particular ministry and/or to enter the work force with an excellent basic education. The approach to accomplishing our purpose is crucial. Briefly stated, our methods are guided by the following:

1. God's Word,
2. Turning hearts of children toward parent(s).
3. Leading others to seek and serve the Lord because they want to do it, not because they have to do so.

We believe that academic training is essential, whether it be for college preparation or for helping to make a living in the labour force. We believe that education is full and complete when Biblical principles are its basis and infiltrate a person's educational growth from cradle to

grave. All students will study the life and teachings of Jesus Christ, memorize scripture for life training, and, if they desire, will be shown the way to accept Jesus Christ as their personal Saviour.

Our administration, staff, and faculty are a group of diverse people. This diversity in age, colour, and denomination allows Agape Christian School to teach and work with a diverse group of students and parents and thus prove the wonderful completeness of God's creation. As members of Agape's workforce, individuals are required to be active, regularly attending members of local Bible-believing, Bible-teaching churches.

Programs and policies administered at Agape Christian School are not based on ethnicity, nationality, colour, or race, but on the command from Jesus to "... go into all the world..."

The Statement of Co-operation provides an agreement between you (the parent or student) and we (the administration, staff, and faculty) that we will all adhere to promoting the carrying out of school policies in a Godly fashion.

About Our School

Affiliation

Agape Christian School is a ministry of Marsh Harbour Gospel Chapel. We are affiliated with The Assemblies of Brethren in The Bahamas. Agape Christian School is registered and approved by the Ministry of Education of the Commonwealth of The Bahamas. We work alongside and are registered with the Evaluation and Assessment Department of the Ministry of Education. We are registered with the SAT Board and are an affiliate member of Christian Schools International.

The Lineage of Agape Christian School

Agape Christian School began as a dream and a prayer of some members of Marsh Harbour Gospel Chapel. The members researched the idea and presented it to the Elders, who shared this dream and prayer too. The grounds of Marsh Harbour Gospel Chapel were prepared and approved by the District Superintendent of Education. In September, 1994, the doors were opened and school began with twenty-nine students (Kindergarten 3 - Grade 4) and three teachers. Time flew and at the end of our second year, we had fifty-eight students up to Grade 5. A second facility was added in April, 1997, and completed by September, 1998. This facility houses Kindergarten 3 to Grade 2 with large rooms and a small bathroom in the corner. September, 1999, brought the addition of Grade 9, a staff of eighteen, anywhere from 140 to 150 students starting at age 3, and the need for another facility. 2002

brought about the realization of our first 12th grade commencement with four young women graduating. 2003 saw four gentlemen and two ladies graduate and some additional classrooms. There have been many graduates since then. Some graduates have stayed home to work while others have pursued further studies at College of the Bahamas or in the USA. 2007 saw the building of The Caitlin Grace Gymnasium (Grace Gym) and the high school moving into classrooms located in the gym. We have plans with God's will to continue to grow and add further to the infrastructure.

Administration

The Administration strives to work with the parents, students, and faculty to meet the academic, emotional, and spiritual needs of the faculty so they in turn can provide the same for the students. Communication plays a large roll in keeping this school running in the most effective and God-like manner and allows the administration to assist you, the parent, in seeing that your children receive a quality, Christian education.

The administrative staff consists of:

Mrs. Cecile Albury - Principal/Administrator K3-G12
Assistant Administrators/ Vice-principals are appointed in the various divisions of the school as necessary

The Board of Directors consists of an Elder representative, a Deacon representative, a representative from Marsh Harbour Gospel Association, the Administrator/Principal, and several others (including a parent representative) who are appointed bi-annually by their perspective group. A teacher representative is appointed by the faculty and staff of Agape Christian School. The PTA representative is appointed by the Parent Teacher Association. The Elders of Marsh Harbour Gospel Chapel oversee the spiritual aspect of the school. The Deacons of Marsh Harbour Gospel Chapel oversee the physical structure of the facilities used by Agape Christian School.

The Chain of Command begins with the teachers who are accountable to the administration. The administration is accountable to the Board of Directors. The Board of Directors is accountable to the elders of Marsh Harbour Gospel Chapel. All of these are ultimately accountable to God.

Academics

Achievement Tests:

Students of Agape Christian School take the Grade Level Assessment Test (G.L.A.T.) in Grades 3 and 6 each spring.

Bahamas Junior Certificate (B.J.C.) Exams are taken in Junior High School and Bahamas General Certificate of Secondary Education (B.G.C.S.E.) Exams are taken in Senior High School at the beginning of summer. Parents are encouraged not to schedule any appointments, trips, etc. during the dates of testing (normally May & June).

Students will not be permitted to make up any portion of the missed tests as these are national exams and college entrance exams.

ACT and SAT exams are taken by all senior high students in preparation for college.

City Guilds exams in computer are taken in grades 8 to 12 and are normally taken in December, March or June. The above exams, except the GLAT, are exams paid for by the student's family. These exams prepare them for the working world.

Curriculum:

Agape Christian School mainly uses the A Beka Book curriculum produced by Pensacola Christian College beginning at Kindergarten Three through Grade Six. This curriculum and the Bob Jones curriculum has proven itself to be excellent throughout the United States, The Bahamas, and other parts of the world. We use Bob Jones curriculum for Bible and some Language Arts from K -12 wherever it enhances their child's learning experience. We do add Bahamian Social Studies to our student's weekly routine.

High School uses a combination of Caribbean, Bahamian, ABeka and Bob Jones books as needed to complete the educational experience following the Ministry of Education Guidelines. Our purpose is to prepare our students for the national exams, college, the work world and life leading them towards God as they grow.

Bible/Religious Studies:

Bible study is recognized at Agape Christian School as fundamentally important and is a required subject. It incorporates the study of English, history, geography, math, and science. Without knowledge of Biblical truth, a student cannot be considered fully educated. The Bible gives direction for this life and the life to come. No other book can so enrich the minds and hearts of men as God's Word. Knowledge of the Bible is one of the greatest educational assets any person can have, in addition to the moral and spiritual values resulting from its study. Character development is the most important work of a school and a family. No other course offered in the school affords the great opportunities for laying the foundation for Christian character. Agape requires Bible memorization and uses the New King James Version of the Bible. Bible teachers are allowed to use other sound versions for teaching reference.

Because our grading scale is higher and our academic requirements are greater, students who make “average” grades are doing well and are acquiring the needed skills. Above average and superior grades are earned by students who excel by ability and/or extra effort.

Homework:

Believing that homework is an important part of the school program, each teacher assigns homework to aid the students in the advancement of their studies. Therefore, all students are required to complete their homework assignments.

Homework is given for the following reasons:

- For reinforcement of concepts learned in school in order for the students to master the material.
- For practice of the skills taught in the classroom.
- For remedial activity which allows a student to strengthen weak points that they may have in a particular area.
- For special projects such as research reports, projects, essays, and book reports.
- To allow the parents a view into their child’s learning.

Homework is considered a subject grade:

Assignments will be reviewed twice a week for neatness and completion and will be graded once a week for accuracy, at the teacher’s discretion. High School grades for accuracy.

- Each student has a Homework Assignment Book in which he/she writes his/her daily homework for the parent/guardian to review, check the work for neatness and completion, and sign.

- Parents are expected to give full cooperation to seeing that their children complete all homework assignments on time. Even though parents should review assignments with their children as a matter of interest, they should not do any part of the assignment.

- Assignments must be completed and turned in when due. (If an emergency occurs which hinders a student from completing their homework, a note from the parent, explaining in detail the occurrence, must be given to the teacher the day the assignment is due.)

- Students who use poor penmanship when completing an assignment will be required during break and lunch, if necessary, to redo the assignment.

- For each day missed (excused absence), students will have one day to make up the assignments.

- Assignments that have been given before a prearranged absence must be turned in on the day the student returns to school.

- Students may not share or copy each other’s assignments. (This will be dealt with as cheating.)

- Complete but not signed by parent = 90% Grade

If there is a problem in the classroom or with homework, please call the school at 367-4777 (K3 – Grade 6) or 367-3557 (Grace Gym, Grades 7 – 12) and ask the office staff to have your child's teacher return your call. Often this is where a minor problem can be addressed so that it does not become a major problem. If this effort does not get acceptable results, contact the school to schedule an appointment with the principal. The principal will do his/her best to resolve the matter. If the results are not satisfactory, then contact the board in writing via the principal so that it can be handled in the best possible way.

We must work together because students cannot serve two masters. Criticizing the teacher, principal, or school in your child's presence can be detrimental to the student - school relationship.

Help Classes:

Students in grades 1-12 who are earning a "D" or below or a "POOR" grade in Kindergarten are advised to enroll in help classes.

Awards Ceremony and Criteria

At the end of the school year there are awards ceremonies for the various grades. The students perform for the audience and are presented with awards that they have earned.

Kindergarten Awards:

Perfect Attendance Award - this award is earned by semester or academic school year. The student must be at school every day with no more than 10 un-excused tardies or one excused absence.

Behavior Honor Roll - this award is presented to students who do not receive discipline notes sent home throughout the year.

Bible Memory Award - this award is given to students who maintain an "A" (90%) in all of the Scripture verses required during the school year. Students who transfer in during the course of the year may make up the verses missed in order to be eligible for this award.

My Best Subject

Every kindergarten student receives an Achievement Award in the subject they are best in.

High Achievement Award

Any kindergarten student that earns an 'Outstanding' grade, in all subjects at the end of the year receives this award.

Grades One to Twelve:

Character Quality Award - this award is presented on behalf of the student body who vote for the following categories:

- The Most Honest Student
- The Most Cheerful Student
- The Most Helpful Student
- The Most Trustworthy Student
- The Most Obedient Student

Perfect Attendance Award - this award is earned by semester or academic school year. The student must be at school every day with no more than 10 un-excused tardies or one excused absence.

Behavior Honor Roll - this award is presented to students who do not receive a detention at any point during the school year.

Bible Memory Award - this award is given to students who maintain an "A" (90%) in all of the Scripture verses required during the school year. Students who transfer in during the course of the year may make up the verses missed in order to be eligible for this award.

The improvement is assessed by comparing the difference between the G.P.A. of the first nine weeks and the year end average. In the case of a tie, the difference will be taken to the nearest 100th of point. Past this, a tie will be declared.

Soaring Eagle & Flying Eagle: these awards are given to the students in High School who have completed the required levels of the fitness challenge over the course of the year.

Honor Roll Award - this award is received by students for the semester or the year. The qualifications are that the student maintains a "B+ or A-" average, 88% - 92% or a 3.45 - 3.65 G.P.A.

Golden Eagle Award - any student who maintains an "A+" average, 99.0% - 100%, or 4.0 G.P.A. will receive this award.

Promotion Policies:

It is the opinion of the Kindergarten teacher that a student is not mature enough to do the next level of work in our school or if the student maintains a grade of "poor" for the academic year, we reserve the right to not promote that student into the next grade for their own benefit.

In grades 1-12, a final grade of "F" in any one subject or two "D" grades in any of the subjects may result in the student not being promoted.

The principal/administrative team will consider the report card grades when making the promotion/retention decision. When retention is required, a student must be retained for his/her own good.

We recognize that our standards for promotion are higher than those of some other schools; however, above-average results cannot be obtained without the above-average expectations.

Reports

Student's Grades can be viewed on-line. Grades should be up-loaded weekly. Please make sure the web master and school secretary have your current e-mail address so you will be notified when new grades have been up-loaded.

Mid-semester check-ups are issued twice a year (November and April). These are emailed to you at announced times. This report serves as a check up for the parents to know how their child is progressing academically and socially before the final report in January and June.

Report cards are issued at the end of January or first part of February, for the first semester. A signature of receipt of report must be signed by the parent for the school's records. In June the second semester report is completed along with the year summary. The parent receives a permanent copy of the child's academic year. If a student's account still has charges on it, then the report card and transcripts relating to the current year will not be given to the child's parent, until the account is clear. If a parent does not collect the report card, then it will stay in the school office.

students and returned to the office. **Re-enrollments are accepted within 30 days of being issued and only if account balances are clear.** If you fail to turn in the form by the due date a seat will no longer be held for your child. In this case you will have to complete the above procedures (under Admissions Policy) if you wish for your child to attend Agape the following year.

Attendance Policies

Promotion

Any student who is absent (excused or un-excused) twenty days or more may not be promoted into the next grade. Their circumstances may be reviewed and a final decision will be made by the administrative team.

Awards

In order to receive the annual Perfect Attendance Award, a student must attend school every day of the school year and not have more than one absence or ten un-excused tardies.

Un-excused Absences

-Students whose absences are UN-EXCUSED will receive zeros for all missed work (i.e. tests, quizzes, homework) and will NOT be permitted to make up the work.

- No refunds on tuition are made because of absences.

Absences/Sickness or Family Death

- Students are expected to be in school, unless they are ill or there has been a death in the family.

-The student is required to bring a note from the parent stating the specific reason for the absence upon returning to class.

- A student who is sick more than two days must submit a doctor's medical note upon returning to school.

- In the case of an absence, a parent or guardian should phone the school before 9:30 a.m. on the day of the absence to inform the office.

- If you desire to have class assignments/homework for your child who is absent due to illness, please notify the school office before 10:00 a.m. Assignments will be ready to be picked up at 3:00 p.m. (We cannot guarantee that assignments will be ready if we are notified after 10:00 a.m.).

When the child returns to school, the parent must give a dated note to the teacher explaining the reason for their absence. This note must be received within three days after returning to school or the absence will be recorded as unexcused. A note received after three days will NOT change the type of absence. (see above example)

- Students whose absences are EXCUSED must make up the missed assignments, homework, tests, and quizzes. If a student misses two days, they have two days to make up the work. Parents are responsible to get the makeup work from the child's teacher in Kindergarten through Sixth Grade. High school students (Seventh Grade up) are responsible for contacting the

teacher to request makeup work. If the high school student does not do this, their grades will be recorded as zero (O).

- Students who are absent during the school day may not participate that day in after school activities (i.e. sports, clubs).

- If your child becomes ill while at school, we will contact you to come and pick them up. A student that is ill will not be allowed to leave school until a parent or guardian comes to pick them up. This is for your child's safety.

- A student who must leave before 9:15 a.m. must be counted absent for the school day. Students who leave after 11:00 a.m. but before 1:30 p.m. will be counted present one-half day. Students leaving after 1:30 p.m. will be counted present for the entire day. Missed work needs to be made up. If a note stating the reason for leaving (doctor's appointment, etc.) is presented, signed by a parent, and received the day the student returns to school the missed work can be given. (see example on the next page)

- Any student who must leave school during class hours for any appointment or any reason must bring a note signed by a parent stating the reason they had to leave school. (see example). **The student must be signed out by the parent/guardian at the school office. If returned to the school the parent/guardian must return the student to the school office and sign them back in.**

Hurricane or Natural Disaster

In the event of a hurricane or natural disaster school fees are still due unless you are otherwise notified from the School Board.

Please keep in mind that teacher's salaries still have to be paid for time out of school due to unforeseen circumstances. Also you pay a yearly tuition, which the board (at the present time) allows to be paid in ten monthly installments. Students will make up the work and not suffer academically.

Doctor's Appointments

A note similar to this is required if a student has an appointment that had to be scheduled during school hours.

Extended Illness

If a student has an illness that causes them to miss more than a month, the Administration will review any possible change in payment of tuition. A request for this must be submitted to the board in writing.

Vacation/Trip

- Family vacations and trips should be scheduled during school holidays, since it is very difficult for a student to make up work missed during an absence.
-Should it be necessary for a student to miss school for personal reasons, a parent or guardian will need to write a letter and submit it to the principal no less than one week prior to the expected date of absence; otherwise the absence will not be excused and no work can be made up. For extended trips for more than two or three days, one day notice should be given for each day the child will be out of school (Ex. Letter is submitted two weeks before departure if the absence is going to be two weeks in duration. If permission is granted for the trip the student will have two weeks after returning to complete missed assignments.) In Kindergarten or Elementary/Primary grades it is the parent's responsibility to work out a schedule with the class teacher for make up work, homework, tests, and quizzes. In High School it is the student's responsibility to arrange a schedule with their class teachers for make up work, homework, tests, and quizzes. (see example below).

Tardiness Policies

- A student is considered tardy if they are not on the school campus and in class at 8:35 a.m.
- When a student is tardy he/she should have a note stating the reason why they are late. (see below). "Joey was late today," "Joey was late today because I was late," "Joey was late because we overslept" are not adequate reasons for an excused tardy. "Joey was late because we had a flat tire, mechanical problems, illness, death in family" would be an adequate reason for an excused tardy.
- Excused tardies (ex. doctor's appointment – missed less than two hours) are recorded but do count toward the 10 tardies allowed for a perfect attendance. Missed work can be made up.

- With your help we are teaching our students the importance of being punctual now so when they become adults they will be on time for their jobs.
- Our most precious times are when school first begins. The pledge to the flags, morning assemblies, and morning routines should not be missed.

General Information

Arrival at school

Students are expected to arrive at school by 8:30 a.m. so they can put their books away, sharpen pencils, write their homework down, get water, and go to the bathroom in order to be ready to start school at 8:45 a.m. Students arriving before 8:30 a.m. will gather on the courtside and during inclement (rainy) weather will gather in the Chapel. Thursday High School gathers around the round about to await chapel. Other school days the High School students meet at Grace Gym.

Visiting Students During School Hours

If you must bring something to your child during school hours, please take the item to the school office so the secretary can give it to your child at the next break in class.

If you need to see your child for any reason, stop at the office. The office staff will get your child from class and bring them to the office to see you. Please do this only when it is absolutely necessary.

Students are encouraged to bring their own lunch. Each parent receives a lunch menu so they can order lunch if they so desire. Parents who bring lunch are asked to leave it at the kitchen or the office so the staff can give it to student at the right time.

Cancellation of Classes

In the event of severely inclement weather your child's teacher will give you a call in the morning and inform you of the cancellation of school. The decision to cancel school because of inclement weather is usually made by the staff around 7:00 A.M. on a given morning. Local radio stations will also announce the cancellation_of school if it is necessary. We will also, when possible, utilize Facebook and other social media.

Address or Telephone Number Change

Please notify the school office immediately of any change of address or telephone number (home or business). We must have current information in order to contact parents in case of an emergency.

Drop Off Procedure

When entering the school parking lot, please do not use the round-a-bout unless it is raining. Please park in the parking areas in front of the building or in the parking lot. Kindergarten parents are asked to escort your child to the court side between 8:15 - 8:30 a.m. or directly to the classroom after 8:30 a.m. During rainy weather, the round-a-bout at the main entrance of the chapel may be used K3-G6. Fundraising

Agape Christian School endeavors to keep reasonable tuition rates for the benefit of each parent. For this reason, we conduct annual fund-raisers and **expect** each student's and their parent's participation in helping raise additional funds needed for the designated school projects. Please keep in mind that Agape Christian School is a NON PROFIT ministry. Most years our budget is set, keeping in mind that fundraisers will have to happen in order to keep the school running. Our teachers feel they are called by God to this ministry of teaching your children, they are here. Fundraisers are needed to cover expenses and extras. Our PTA is a fantastic way to involve parents in the development of the school, other than academically.

Discipline

Agape Christian School believes that all students can behave at school. We feel all students have a responsibility to behave in a manner that prevents neither teachers from teaching nor classmates from learning, nor violates the best interest of any individual in the school community. In order to encourage our beliefs, the following discipline plan has been established to govern behaviour at school.

Parent Notification

Parents are notified in writing of detention, corporal punishment, suspension, or expulsion. Each notification must be signed by the parent and returned to the school the first school day after receipt of notification.

Corporal Punishment

Is generally administered by the principal with notice to parents. In the case of kindergarten, because the younger students have a difficult time remembering what they are being punished for, they are not required to wait for the principal or administrator; the teacher or assistant has permission to apply one or two swats to the student's bottom. This will not to be applied abusively and the parent will be notified the same day when the child is picked up.

Anytime discipline is administered for severe blatant misbehaviour (Outlined above) The School Board, The District Superintendent of Education will be notified in writing. If a student is expelled the The District Superintendent of Education, The Police Department and other principals (where necessary) in the area will be notified in writing.

The use of illegal drugs, the purchasing or use of alcohol, or the possession of weapons for minors is illegal in the Bahamas. Therefore, if a student of Agape Christian School is found using either of these items on or off the school premises, we reserve the right to expel that student immediately. Also The District Superintendent of Education, The Police Department and other principals in the area will be notified in writing. If a student is caught with any illegal contraband on school grounds the Police will be called and then the parent.

Detention / Lunch-Time & Afternoon

A detention can be issued immediately at the discretion of a teacher or administrator if they deem it necessary.

Students serving lunch time detentions will not be permitted on the playground during that time (Kindergarten 3 - Grade 6). Parents will receive the detention form after the lunch time detention is served. Parents will be notified beforehand about the keeping of students (Kindergarten 3 - Grade 12) after school hours for disciplinary purposes. Failure to attend detention sessions as scheduled will result in the assignment of additional detention sessions and may result in expulsion from school.

Students will bring home a note stating the form of punishment and the date administered for you to sign and return to the teacher the following school day after you receive it. You sign the white copy and return it to school while keeping the yellow copy for your records. If this note is late the student could receive another detention.

Corporal Punishment

Corporal punishment (Kindergarten Three to Grade Six) is administered by the principal, vice-principal, administrator, school board member or senior staff, given permission by the principal (in case of the principal's absence). It is normally administered in the office after a conference with the student and is applied with a belt to the bottom only.

Suspension and Expulsion

Severe behaviour or continued misconduct may result in suspension, out of school suspension or expulsion from Agape Christian School. The general and severe misconduct discipline structure is laid out on the previous pages and is a process that continues throughout the year. A permanent record of severe misconduct is kept in the student's file in the office in case a conference with the student's parents becomes necessary because of a continuing pattern. Should parental cooperation for discipline be lacking, the student will no longer be permitted to attend our school. If a student receives the first in school or out of school suspension, written notification is sent

- ~ to the parent to be signed and returned to the school
- ~ to the school board

If a student receives the second in school or out of school suspension, written notification is sent

- ~ to the parent to be signed and returned to the school
- ~ to the school board
- ~ to the District Superintendent of Education

If a student is expelled, written notification is sent

- ~ to the parent to be signed and returned to the school
- ~ to the school board
- ~ to the District Superintendent of Education
- ~ the Police Department

ANY STUDENT under expulsion is not allowed to visit Agape Christian School's property during school hours or school functions for one year from the date of expulsion. This student may return after one school year

once their individual case has been reviewed by the School Board along with proof of the following:

- ~ school records establishing that they have attended another school during the year.
- ~ proof of their improved conduct.

Agape Christian School reserves the right to ask a student to transfer to another school. Notice will be given only to those directly involved.

The Administration of AGAPE CHRISTIAN SCHOOL seeks to base its programs and methods on the Word of God. Whenever disciplinary action is necessary, it will be lovingly administered to instill in the child the correct Biblical and moral principals. "He who spares his rod hates his son, but he who loves him disciplines him properly." Proverbs 13:24

Student Standard of Conduct

Students of Agape Christian School are encouraged to use the Bible as their basis for an acceptable life-style. Since certain types of actions and behaviours are deemed inconsistent with the disciple-making process taught at Agape Christian School, students should strive to:

(Always ask yourself, beforehand, "What Would Jesus Do?" in this situation and strive to be like Him).

Parents/Guardians Responsibilities

Handbook

READ THIS HANDBOOK! Many of your questions are answered right here, so keep it in a place that it is easy to refer to. This book allows you to know what is expected of you and your child, because ultimately even student responsibilities become Parental responsibilities,

Parent/Teacher Meetings

A Parent/Guardian is expected to attend all Parent/Teacher Association Meetings on behalf of their student. (If a child is not represented at two or more Parent/Teacher Meetings a year, the school will call a conference with that child's parents/guardians.) Your presence at these meetings show the school and more importantly, your child that you care about them. Failure to attend a conference may result in your child being asked to transfer to another school.

Homework

Parents/Guardians are expected to check daily that students have completed their homework, and (Kindergarten 5 - Grade 6) sign the homework book to indicate to the teacher that it is complete. This allows the school and parent to work as team to assist the child in their studies. In High School students are responsible

to complete their homework without the signature of a parent.

Communication

Teachers are available for conferences after school. Please call the office to set up a time that is convenient for you and your child's teacher. If there is a question for the teacher, then please leave a message for the teacher to call you on a break; you should receive your answer the same day.

In case of an emergency call or go to the office and explain to the secretary or principal so they can remove the teacher or your child from the class in an orderly manner so as not to alarm your child or class inappropriately. Thank you.

If there is a problem in the class, please make an appointment via the office to discuss this with the teacher first. If it cannot be resolved, then request a meeting with the vice-principal or principal. If the problem continues then the school board can be notified in writing.

A parent or Guardian is NOT to call or come to school with an angry or belligerent tone or attitude. By NO means is a parent or guardian to go to or call a teacher's or principal's home with a complaint. This may result in all of your children having to find a new school.

General Problems Questions

If there is a general problem in the school, please inform the principal. If the problem continues, then the school board can be notified. The worst thing you can possibly do for your child is to criticize the teacher, principal, or school in their presence.

Appeals

If you believe any school board decision, policy, or regulation listed in this handbook (or any other aspect of the school) is itself contrary to THE WORD OF GOD or unfair in some way, you are encouraged to contact the school board in writing via the principal. Until such time as the board revises the policy with which you disagree, you are, of course, expected to abide by its stipulations. In case of strong disagreement, it is conceivable that a student might be withdrawn from school rather than submit to the policy in question. We sincerely hope such action can be avoided by carefully following the above procedure of communication.

Damage

Parents are financially responsible for any damage willfully or negligently done to school property by their child. Any child willfully damaging property will be disciplined with:

Kindergarten Three - Grade Six

- ~ 1st infraction - Afternoon Detention
- ~ 2nd infraction - Corporal Punishment
- ~ 3rd infraction - Two Day In-School Suspension
- ~ 4th infraction - Expulsion

Grade Seven - Grade Twelve

- ~ 1st infraction - One Day Suspension
- ~ 2nd infraction - Three Day Suspension
- ~ 3rd infraction - Expulsion

As well as the responsibility of paying for the repair or replacement of the item. Discipline is subject to change depending on the severity of the damage caused.

NOTE: All rules herein are subject to change by the Agape Christian School Board and you will be made aware of them if they are.

School Prayer

“O Almighty Father, we bless and praise Thy Holy name,
For all the blessings which we every day receive.
Continue Thy fatherly care over us this day,
And grant that we may show our thankfulness,
Not only with our lips but in our lives,
By giving of ourselves to Thy service,
Through Jesus Christ our Lord.”
AMEN!

Pledge to the Christian Flag

I pledge allegiance to the Christian Flag
And to the Saviour for whose kingdom it stands;
One Saviour crucified,
risen, and coming

again,
With life and liberty to all who believe.

Pledge to the Bahamian Flag

I pledge my allegiance to the flag
And to the Commonwealth of The Bahamas
For which it stands;
One people united in love and service.

National Anthem of the Bahamas

Lift up your head, to the rising sun,
Bahamaland;
March on to glory, your bright banners waving high.
See how the world,
Marks the manner of your bearing!
Pledge to excel, through love and unity.
Pressing onward,
March together to a common, loftier goal;
Steady sunward, tho' the weather,
Hide the wide and treacherous shoal.
Lift up your head to the rising sun, Bahamaland;
'Til the road you trod, lead unto your God.
March on, Bahamaland.
